## Web Site Planning Form

Please use this questionnaire to begin planning your web site. It forms the foundation of your development strategy.

### *Instructions*

This questionnaire is meant to help you put together the ideas you have and communicate them with us. It lists a series of questions that we will most likely ask in our first few meetings and will help define the project goals. Please answer each question to the best of your ability. Leave blank anything that does not apply or is unclear. When you have completed the questionnaire, return it to us via email and we can discuss your project in further detail.
